This is a municipal matter & should go through the 1st Councillor - as regards the appointment of a Gumastah to take charge of the records. I Consider the arrangement inadequate and will only benefit some hungry "limedwar" wanting for an appointment in the taluk Cutcherry. I have my own opinion about the arrangements necessary for the proper working of the "Extensions", but I am not now called upon to give an opinion on this question. It may be noted that the "Extension Establishment" was abolished during my absence on duty in

Conservancy and lighting in the extensions

3 Amildar, Bangalore Taluk
Disposal of applications for building sites in the Extensions recovery of the value of sites in

in the Two Extensions, viz:

The above two officers will manage the work with their present establishment, but the third (Amildar Bangalore Taluk) Cannot spare his quota to perform this additional work satisfactorily as they are already overworked with the heavy and increasing work of the day especially at this Head Quarter Taluk. The following registers have to be maintained by the Amildar which make me hand fully engaged during the whole day.

1) A roj kirdhi - Day book
2) Two ledgers

Most respected Sir.

With due respect & submission I beg to bring the following for your honours kind consideration and favorable order: —

I was the permanent 1st class Sheristadar of Channapatna Taluq. In the year 1898 my services were drafted to Bangalore for special duty of acquiring lands, houses &c & was working in connection with the Bangalore city improvement works as Deputy Amildar till the Government abolished the appointment in 1902. In the meantime I submitted a memorial to Government on 26.7.02 through your honour praying that my pitiable case might be given a favorable consideration & that I might be provided with the post of a Dy Amildar in the arrangement that had to take place in retiring some of the Amildars. After handing over charge of my office to the Amildar of Bangalore, I was deputed to the Comptroller's office to prepare a joint report of the expenses incurred

incurred on the above works. I completed this work & was relieved there on the 27th September 1902. I thereupon reported to your honour for duty & I am waiting for orders. I now take the leberty of approaching your honour with the humble request that I may be recommended for a Deputy Amildary or any other suitable appointment, in consideration of my long service as a Taluq Sheristadar for 18 years & as Dy Amildar for about 4 years and also in consideration of my having acted as Amildar on many occasions.

I further beg to add that I have not been able to draw my pay for the last three monthes and that in consequence I have been feeling great difficulty in maintaining my large family. Therefor I pray that definite orders may be passed as regards the drawing of my pay at your honours earliest convenience.

Awaiting your honours favourable orders.

I respectfully beg to remain
Sir
Your Honours most obedient
and humble Servant

Sir,

With reference to your letter No 712 dated 17th November 1902, forwarding copy of Government Proceedings No. 734-5 R F. 18-98 of the 7th instant, regarding the permanent appointment of C. Kesavaiengar temporary Deputy Amildar, I have the honor to state that my proposal was that the man recommended for the place of the Sheristedar of Doddaballapur should be a sub pro tem Sheristedar and not a permanent one, although the Sheristedar of that Taluk had retired on pension and it was a permanent vacancy, and this was because I intended that Kesaviengar should have a lien on that appointment. The promotion of the Kankonhalli Sheristedar to the 1st class was also for the same reason recommended to be a sub pro tem one. The fact of Kesaviengar's having

2

having a lien on a 1st class Sheristadari and on that post in the Doddaballapur Taluk ought to have been mentioned in the report but was probably not done through an oversight. It will however, now be clear that a permanent place was reserved for Kesaviengar in case his place as Deputy Amildar of the Bangalore City happened to be abolished.

2. The enclosures to your letter are returned.

I have the honor to be
